

JG 280 BR

The JG 280 Bow Rider is a high speed pleasure craft. Designed by Murato Naval Office, Japan & built by JG Boats Langkawi, Malaysia. Her sleek lines & proven deep 'V' hull shape ensures a smooth ride for all. Designed with the tour operator in mind she is also equally at home as a private vessel. Features include marine head, cockpit shower, versatile seating arrangements, high speed performance, great stability & foam filled hull.
